# OKIPAGE 8wLite

## PRODUCT OVERVIEW

The **OKIPAGE** *8wLite* introduces new standards in style and performance for fast, on-demand desktop printing.

With its space-saving design – delivering 8 pages per minute – and a footprint no larger than this A4 document, the **OKIPAGE** *8wLite* is the smallest printer in its class. It offers all the convenience of desktop printing with the quality and performance of a much larger printer.

### Major Applications

Ideal for both PC and Mac users working from home or as a personal printer in the office, the **OKIPAGE** *8wLite* is available in either Indigo, Graphite or Classic Grey to complement your working environment. It's perfect for printing your spreadsheets, letters and reports with sharp, clear text on a wide range of paper types.
